

SARAH WELLS PUMPAROO

Wet/Dry Bag & Staging Mat for Breast Pump Parts

The "Pumparoo" is BPA-free, PVC-free, Phthalate-free and has Lead-free zippers.

CARE INSTRUCTIONS: Machine wash warm often, hand wash with soap daily (line dry). Many moms have reported success hand-washing the Pumparoo for short-term cleaning, followed by regular machine washing (please always use soap, such as hand or dish soap or detergent). NOT dryer safe.

Bonus features: The wrist strap will go all the way around your wet/dry bag if you fold the bag into quarters. This lets you carry it compactly! Use the front (smaller) zip compartment for dry items and the main (larger) zip compartment for wet items (waterproof).

Lots of other uses for the wet/dry bag: diapers, swimsuit, snacks, messy clothes! Machine washable! (Please note: due to the wide variation in temps in dryer machines, it is not advised to use a dryer on your Pumparoo or staging mat; please line dry.)

Dimensions 12" H X .25" W X 10" L (unfolded) / 6" H X 1" W X 10" L (folded into quarters)

**This product is designed for use with healthy full-term infants. As with all breast milk and infant products, please be aware of applicable guidelines and consult your pediatrician with any questions or concerns.
